v.

EMANUEL J. MOORE,

(your name)

Appellant.

No. 48814-1-II

STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

FILED
COURT OF APPEALS
DIVISION II
2016 OCT -6 AM 11:02
STATE OF WASHINGTON
BY DEPUTY

I, Emanuel Moore, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The fact that I (Emanuel Moore) was denied my amendment to cross-examine my accuser. In this case started this investigation on false testimony which violate my due process. And the only reason a investigation started. Also all the text message I never got to view them before trial started also a violation. My lawyer did not come visit to strategies not one time before trial, he also is the lawyer I got off my case and they put him back on my case almost a year later after my retained lawyer quit. Conflict of interest.

Additional Ground 2

Also one of the jury members stand up and said he will be bias because of my charge and still made my jury line up (#12)...
There was no probable cause to arrest me.

If there are additional grounds, a brief summary is attached to this statement.
